# University History

Shue Yan was founded in 1971 by Dr. Henry H.L. Hu and Dr. Chung Chi Yung in response to their serious concern over the acute shortage of tertiary places for local secondary school leavers aspiring for university education. Shue Yan's programmes offer students a well-rounded educational experience that produces graduates who are:

1. Articulate, open-minded critical thinkers with a passion for lifelong learning and self-improvement;
2. Committed to appropriate ethical behaviour, based on a strong sense of social responsibility;
3. Well prepared to apply their specialist knowledge, skills and creativity in their chosen field of employment; and
4. Ready to apply their global outlook and understanding of Chinese cultural values to support the harmonious development of Hong Kong and China in the 21st century.

Since 2001, we have successfully launched the following honours degree programmes:

1. Bachelor of Arts (Hons) in Chinese Language & Literature
2. Bachelor of Arts (Hons) in English
3. Bachelor of Arts (Hons) in History
4. Bachelor of Arts (Hons) in Journalism & Mass Communication
5. Bachelor of Commerce (Hons) in Accounting
6. Bachelor of Business Administration (Hons)
7. Bachelor of Arts (Hons) in Economics and Finance
8. Bachelor of Commerce (Hons) in Law and Business
9. Bachelor of Social Sciences (Hons) in Counselling & Psychology
10. Bachelor of Social Sciences (Hons) in Psychology
11. Bachelor of Social Sciences (Hons) in Sociology
12. Bachelor of Social Work (Hons)

## Aims

- To meet the actual needs of Hong Kong society by training efficient and well-balanced young people for various services in the community;
- To promote the spirit of humanity and the freedom of learning with a scientific approach and also to contribute to the development of higher education in Hong Kong; and
- To demonstrate by consistent behavior the virtues of humanity and the objective attitude of men of culture.

## Mission

- Preserve and disseminate traditional Chinese culture;
- Enable students to cultivate a whole, balanced personality including moral character and to realize their full potential as individuals, as scholars and as good citizens;
- Provide rigorous intellectual training to enable students to become independent critical thinkers; and
- Combine academic theory with the acquisition of professional and practical skills to produce graduates who can immediately be of service to meet the needs of the community.

## The Benefits of Studying at HKSYU

**The first private University in HK :** HKSYU offers twelve degree programmes.

**4-Year degree Programmes :** HKSYU is the only education institution in Hong Kong that has insisted on offering 4-year higher education programmes for more than 40 years.

**Student First :** At HKSYU, we are committed to excellence in teaching. The aim of our enthusiastic and well-qualified teaching staff is to ensure that you achieve your learning goals. To this end we promote a mutually supportive, interactive learning environment in and out of the classroom.

**Promote Chinese Culture :** The meaning of "Shue Yan" is the cultivation of virtue. The University emphasises the preservation and propagation of traditional Chinese culture and the educational ideals of Confucianism.

**Whole Person Education :** HKSYU promotes academic freedom and seeks to contribute to the betterment of society through the pursuit of truth, knowledge, wisdom and a deeper understanding of humanity.

香港樹仁大學創校於1971年。鑑於當時本港大專學位嚴重不足，胡鴻烈及鍾期榮兩博士自資創立樹仁大學，為中學畢業生提供升學機會。樹仁大學以「敦仁博物」之校訓推行仁者教育，冀培養仁人君子，弘揚中華文化，訓練有能力及均衡發展的年輕人，具備：

1. 善於表達與批判，思想開放，專注終身學習及自我提昇；
2. 承擔社會責任，堅守崇高之道德操守；
3. 在其專業領域中，盡展所學之知識、技術及創意；
4. 透過對國際及中國傳統價值之了解，參與中國、香港在廿一世紀之發展。

# Department of Business Administration

## BACHELOR OF BUSINESS ADMINISTRATION (HONS)

### Aims and Special Features

The programme is designed to develop highly-principled graduates, with advanced communication and critical thinking skills, who have a broad understanding of the principles and practices of modern business. Upon completion of the programme, students will be able to apply what they have learned in a variety of business settings. In addition to core competencies in key business disciplines, students will be equipped with communication and information literacy skills while gaining cross-cultural awareness within the context of preparation for both work and further study. This holistic approach to education underpins Shue Yan University's longstanding strategy of teaching business within a framework of modern Chinese cultural values and norms.

### Structure/Concentrations

Required courses in all four years of the programme ensure that all graduates will have a through grounding in the core aspects of business and management. Students may also maintain a broad-based approach in their choice of business electives. The programme has been designed, however, to permit students who wish to develop an interest in a particular aspect of business to choose electives from one of a cluster of courses. Along with compulsory courses, a concentration will consist of at least four courses (12 credits) chosen from the list of Year-3 and Year-4 electives. There will be five such concentrations available:

- Financial Services & Planning Concentration
- Marketing Concentration
- Human Resource Management Concentration
- China Business Studies Concentration
- Corporate Governance Concentration

# Department of Sociology

## BACHELOR OF SOCIAL SCIENCES (HONS) IN SOCIOLOGY

### Special Features

Sociology is concerned with investigating the structure of groups, organizations, and societies, and how these various structures influence human behaviour. Sociology is an expanding field of study whose potential is increasingly being recognized by those who are responsible for the formation of social policy and the creation of social intervention programmes.

### Aims and Objectives

The BSocSc (Hons) in Sociology is designed to provide students with a coherent body of sociological knowledge and the analytical skills necessary for identifying social problems and proposing logical solutions. In line with this general objective the Department of Sociology has established five aims:

1. To foster critical and creative thinking as well as aid students in developing their oral and written communication skills.
2. To provide students with the scientific techniques necessary for the study of groups and social institutions, with special emphasis on Chinese culture and society.
3. To introduce students to a broad spectrum of sociological knowledge, including its perspective, history, theories, concepts, methods, and uses for understanding social institutions and social relations.
4. To enhance students' competence in arriving at a deeper understanding of social issues in Hong Kong and when appropriate proposing logical solutions to them.
5. To lay a broad and solid foundation for pursuing a career in a wide number of possible fields by enhancing students' occupational flexibility required in a rapidly changing labor market.
